DETAILED ACTION

Allowable Subject Matter

1. Claims 1-16 are allowed.
2. The following is an examiner's statement of reasons for allowance: None of the prior art alone or in combination discloses a buffer device for converting the fluctuating voltage signal into a digital output signal, and for transmitting the digital output signal to an output terminal, a capacitance, and means for charging and discharging the capacitance in synchronization with the digital output signal, wherein a voltage present at the capacitance is fed to the first and second current sources as a control voltage such that regulation of the two current sources is effected in opposite senses.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
